25X1

25X1

1. Between 3 and 12 August 1952, the area of Cruenhaus, near Finsterwalde (N 52/A 15), was evacuated by troops who, sources believed, moved to the area of Hohenleipisch. The area of Fuergerheide was also evacuated. No departures were noticed. The telephone lines previously seen were still there.

25X1

2. On 12 August, 4 boxcars with soldiers, 6 flatcars with cable reels and 1 flat kitchen and 9 trucks with poles [REDACTED] were loaded at the Finsterwalde railroad station.

25X1

25X1 3. [REDACTED] three eastbound trains transporting personnel were dispatched in Teimer (N 51/J 57) on 13 August, and one train transporting personnel was dispatched on 13 August. ** Another train carrying soldiers wearing red-bordered black uniforms and 12 x 37-mm AA guns and 20 trucks [REDACTED] was also dispatched on 13 August. ***

25X1* [REDACTED] Comment. The numerous trains departing from the area of Littenberg between 4 and 10 August tend to indicate that the command post exercise had terminated.

25X1 on 12 August belongs to the GDR. [REDACTED] the unit entrained 25X1

** [REDACTED] Comment. Probably discharged soldiers. A report from Koenigsbrueck indicated that the First Gds Regt ceased to receive personnel for discharge. [REDACTED]

25X1
